

2024 Aubrey FFA Livestock Show & Sale Buckle Sponsor Form

The Aubrey FFA Junior Livestock Show & Sale is an annual event that helps recognize and celebrates our Livestock & Ag Mechanic students.

January 13, 2024, we will host our ALL STUDENT Livestock Show. Our students will come back together at the end of the show season for our annual Livestock Sale on **March 23, 2024**.

These events will highlight all students and their projects with a competitive livestock show as well as a chance to compete for ribbons, buckles and bragging rights. At the end of the season, we will celebrate all their hard work with our annual Dinner & Livestock Auction.

Becoming a Buckle Sponsor helps the Aubrey FFA host the annual event with buckles, ribbons and general expenses of the livestock show. Your continued support is greatly appreciated!
