

Goat & Sheep supplies needed to start

- 2-3 Bags of shavings each time you strip the pen.
 - Champion Fine Shavings or Show Flake – **No Tractor Supply Shavings!**
- Soft bristle brush & stiff bristle brush (never share)
- Lambs: wool brush, regular hair brush, leg wraps
- Shampoo
 - Revitalize or Mane & Tail
 - Dawn good for white animals
 - Iodine Wash shampoo when the skin is irritated
 - Fungus shampoo
- Lite Revive (conditioner)
- Fungus treatment (have on hand)
- Dewormer
 - Safeguard or Ivermectin 1x month for 3 days.
 - not feed type
- Rope Halter
- Canvas lamb/goat coat (in appropriate size)

- Show feed.
 -
 - If you purchase @ D&L tell them you are with AUBREY FFA & they can set you up an account.
Feed will change throughout the year, if animals don't like, won't eat, or need other things we will add and subtract all year.
- Large clip feeder must have one that has a clip on the bottom as well so they don't dump the feeder
- 5 gal light-colored water bucket for water
- bucket strap to hang water up off the floor
- 3 gal light-colored bucket for feed
- Large plastic totes with lids or metal trash can. All feed has to be in a tote of some kind.
- Old pair of shoes or muck boots. DO NOT wear school shoes in pen!
- LABEL EVERYTHING!
- Items can be found at Pilot Point Feed, D&L, Tractor Supply, Atwoods, or Sullivan's Show supplies online.
